CAPABILITIES STATEMENT

Star Creations, DBA AJ Madison is the authority in selection, delivery and installation of a wide range of residential, commercial, medical and hospitality appliances across the U.S.A. and internationally.

Recognized in the marketplace as the premier “go-to” supplier, we take pride in our ability to provide solutions for our clients. We help our customers find exactly what they need, guarantee fast delivery, and provide optional professional installation, ancillary services and accessories. By investing in employee training programs and publishing educational materials we can ensure that our customers will be comfortable with their own selections and feel confident utilizing our “turn-key” services. Our vast assortment of products increases our ability to fulfill the needs of end users in every sector.

Whether it’s a simple request or a full service project, we look forward to working with you. We will strive to achieve the desired results, making sure current and future needs are met and issues are solved quickly efficiently and professionally.
